Mr. GRAHAM, from the Committee on the Judiciary, submitted the following

REPORT

[To accompany H. R. 2787]

The Committee on the Judiciary, to whom was referred the bill (H. R. 2787) for the relief of Thomas Alva Raphael (Richards), having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE BILL

The purpose of this legislation is to facilitate the admission into the United States of the adopted child of Staff Sgt. and Mrs. Thomas G. Richards.

GENERAL INFORMATION

Mr. Mansfield, the author of this bill, appeared before a subcommittee of the Committee on the Judiciary and urged the enactment of his measure, submitting the following information in support of his bill:

WING LEGAL OFFICE,
374TH TROOP CARRIER WING (H),
APO 704, December 30, 1950.

HON. MIKE MANSFIELD,
*United States Representative,
House Office Building, Washington, D. C.*

DEAR SIR: As the wing legal officer at Tachikawa Air Base, I have been requested to advise Staff Sgt. and Mrs. Thomas G. Richards, of Lewistown, Mont., regarding their contemplated adoption of a foundling from a Japanese home. I have consulted with them at length, and reviewing their case thoroughly I am taking the liberty of seeking your assistance in this matter on their behalf.

The background of the adoption is this:

The foundling home is operated by Catholic Franciscan missionaries in Yokohama, Japan. The foundlings left with the home are born of Japanese-mother and American-soldier fathers for the most part; they are left in the care of this

home almost from birth. After baptizing the little children in the Catholic Church they are placed with families who are either of the same faith, or will agree to raise the child in the Roman Catholic Church. However, these children are turned over to the prospective adopting parents immediately and at the present time, while I am advising them, they have the little children in their homes. Since these children are considered to have at least 50-percent Japanese blood it is my understanding that they are ineligible for entry into the United States under existing immigration laws.

Therefore, I am addressing this letter to you to request your assistance in presenting a private bill to the Congress on behalf of Staff Sgt. and Mrs. Richards, which legislation would permit the entry of this child into the United States for the purpose of adoption by this couple. I am in a quandary as to whether or not there is a Japanese court of competent jurisdiction before which petition of adoption could be favorably acted upon in satisfaction of Japanese law. In the event that it is possible to arrange an adoption before a Japanese court, it will still be necessary to ask for the private bill in order to gain entry for the child. I intend to consult with the United States Department of Immigration further on this matter.

The Honorable Tom Pickett, of the Seventh District of Texas, is presently drafting similar legislation on behalf of Staff Sgt. and Mrs. E. H. Shelton, whom I am also advising in this matter.

I would appreciate any advice that you might give me in regard to supporting information that I could prepare to assist the passage of this bill, in the event that you will kindly consent to act on behalf of this couple.

Thanking you in advance for your courtesy in this instance, I am

Very sincerely yours,

GEORGE J. GOLDSBOROUGH, Jr.,
First Lieutenant, United States Air Force,
Wing Legal Officer.

HON. MIKE MANSFIELD,
United States Representative, First District, Montana,
House Office Building, Washington, D. C.

DEAR SIR: Your letter of January 8, 1951, reference the private bill in behalf of Staff Sgt. and Mrs. Thomas G. Richards was received with pleasure. I am happy to forward to you what I hope is a complete file of the papers necessary to substantiate action on this bill.

On behalf of the Richards' I filed a petition in the Hachioji branch of the Tokyo domestic-relations court requesting adoption of this child, Thomas Alva Raphael (Richards). After the court had appointed me guardian ad litem for the child the petition of adoption was granted. Copies of the petitions and the decrees, in both Japanese and English, are enclosed and identified. There are also letters from the Catholic chaplain of this base and many letters of recommendation. Needless to say, both personally and officially, I heartily endorse the passage of this bill.

At the present time I am communicating with the Honorable Tom Pickett, of Texas, and will communicate with Representatives from Idaho and Pennsylvania on similar cases. H. R. 7872, dated March 27, 1950 (81st Cong., 2d sess.), introduced by the Honorable Mr. Rodino, of New Jersey, has come to my attention. Such an omnibus bill would solve the problems that arise in connection with these private bills.

Your help in this matter is greatly appreciated. I am sure that you realize the need for haste in that an evacuation of dependents before passage of this bill would result in this child's being left behind. Anything further that I might contribute will be most cordially forwarded.

Thanking you in advance for your kind attention to this matter, I remain,

Sincerely yours,

GEORGE J. GOLDSBOROUGH, Jr.,
First Lieutenant, United States Air Force,
Wing Legal Officer.
